Subject :- Kinds of letter (S)

Kinds of letter (S):- We will talk about three kinds of letter (s).

A:-(S) possessive .We use this type between two nouns (person and inmate). It is preceded by apostrophe in singular . For example :

Ahmed's book .

It is followed by apostrophe in plural . For example :

The teachers' room

These boys' bags

Those girls' desks

It does not use between two nouns (inmate and inmate). For example :-

The door of the house .

The wall of the garden .

Notice

In irregular plural , apostrophe puts between two nouns in singular and

plural . For example :-

Man's book , men's book

B- S Plural .It adds at the end of all nouns except noun of (persons , cities , states, quantities) without apostrophe . For example :

Car / cars , cat/ cats , orange / oranges

C:- S third person singular . It adds at the end of present verb when the subjective pronoun of the sentence (He, She , It) . For example :

be / is , have / has , do / does , go / goes

Notice :-

It does add at the end of past verb . For example :

Went , had , was , played, did
